

EG Deutschland GmbH

EG Group is one of the world's leading independent operators in fuel, retail and food-to-go, with a continuously growing portfolio of currently around 5,600 sites across eight countries.

Since the end of 2018, EG Group has been operating a network of more than 1,300 service stations across Germany through its German subsidiaries, primarily under the Esso brand, as well as a range of quick-service restaurants including BURGER KING® and KFC. In addition, the portfolio includes MAXI motorway service areas, operated by a subsidiary of EG Group, featuring integrated restaurants, service stations and gaming facilities.

Our focus is on expanding our retail and restaurant operations as well as the strategic growth of our network.

For our office location in Hamburg, we are looking for a

Senior Finance Manager (m/f/d)

on a full-time basis

What we offer:

- Annual salary starting from €80,000, depending on qualifications and experience
- 30 days of annual leave (plus public holidays on Christmas Eve and New Year's Eve)
- A modern, international working environment within a growing and future-oriented company

- Flat hierarchies with a high degree of autonomy and decision-making freedom across all areas
- Complimentary beverages and a subsidised canteen
- Company pension scheme with employer contributions
- Discounted Germany ticket for public transportation
- Flexible, family-friendly working hours
- A positive working atmosphere with a strong appreciation for collaboration and team spirit

Your profile:

- Completed degree in finance, business administration or a comparable qualification, such as a certified accountant (e.g. Bilanzbuchhalter) or auditor
- Several years (minimum 5 years) of relevant professional experience in accounting, finance, controlling and cash management within a medium-sized or large organisation
- Proven experience in an international business environment, particularly within shared service structures and matrix organisations
- Strong expertise in cash flow management and financial planning, combined with a proven track record in process optimisation and change initiatives
- In-depth knowledge of local accounting standards and tax regulations, as well as practical experience working with tax authorities
- Advanced SAP expertise with a focus on FI and CO (expert level)
- Fluency in German and English, both written and spoken, as well as a willingness to submit a CV in English
- Strong communication skills combined with a structured, self-driven and flexible working style in a dynamic and complex environment

Your responsibilities:

- **Leadership of Controlling Team:** Functional and disciplinary leadership of the Controlling team of EG Group in Germany
- **Interface Shared Services & Organisation:** Key interface to the UK-based shared service teams as well as the German organisation, ensuring efficient, accurate and timely accounting and reporting processes
- **Process & Systems Optimisation:** Analysis and resolution of operational accounting topics as well as continuous development and implementation of processes, systems and structures
- **Monthly & Annual Closing:** Responsibility for monthly and annual closing activities, particularly in the context of new acquisitions, and ensuring the proper preparation of statutory financial statements
- **Audits & Tax Collaboration:** Coordination of annual audits and collaboration with external partners, particularly in the tax environment and with authorities
- **Analysis & Budget Planning:** Performance of ad hoc analyses and active support of budgeting and planning processes
- **Reporting Development:** Ongoing development of financial and management reporting processes to enhance the financial steering of the German entities
- **M&A & Integration:** Support in the analysis of potential acquisitions as well as the integration of new entities into existing structures and processes
